# "PRAY FERVENTLY IN RIGHTEOUSNESS AND AVAIL MUCH."

Our theme this year is, Pray Fervently in Righteousness and Avail Much, from our theme verse, James 5:16b NASB, "the effective fervent prayer of a righteous man prevails much." As the 2023 National Day of Prayer on Thursday, May 4th approaches, thousands of individuals, churches, and communities will be working to rally millions of Christians to once again heed this call to pray. We have boldness and conviction to Pray for America because the Word of God teaches us that our FERVENT PRAYERS are EFFECTIVE and that our Loving God responds to His children's EARNEST PLEAS in MIGHTY WAYS that AVAIL MUCH!

If you would like to sponsor a National Day of Prayer event, become a volunteer coordinator, or obtain resources to promote an event in your church or community, visit our website at [www.nationaldayofprayer.org](http://www.nationaldayofprayer.org).

## STEP 1 - DEVELOP YOUR PLAN

We've created this step-by-step plan to help you and your mobilization team promote the annual National Day of Prayer in your local communities. Whether you hold one large event or multiple smaller events, we have numerous tools and resources available to assist you.

Appoint a coordinator to head up planning and promotion. Assemble a prayer team to support the event with prayer. Together, create a calendar and determine the dates, as well as the times and locations, for your National Day of Prayer events.

## STEP 2 - PROMOTE YOUR EVENT

Posters, bulletin or program covers, bulletin inserts, graphics, and announcement copy are available through our web store or for download. We've left space on several of the items so that you can customize with your own church or community information. Outdoor promotional tools such as yard signs, banners, door hangers, and more are available to aid you in reaching out to your neighborhood or to your entire community.

We've also created PSAs, memes for Facebook, and web banners available on our website under media and promotional tools to help you promote in your local media and online.

## STEP 3 - HOST YOUR EVENT

Leading up to the event, communicate each week with your groups or congregations by email and social media to invite and remind them of the event taking place. Host your National Day of Prayer Event and gather feedback and testimonies that can then be shared with members of your community or church to encourage them to continue to pray fervently for America!
