LIFT UP THE WORD - LIGHT UP THE WORLD

THURSDAY, MAY 2, 2024

2 SAMUEL 22:29-31

"LIFT UP THE WORD - LIGHT UP THE WORLD"

Our theme this year is, Lift Up the Word – Light Up the World, from our theme verses found in 2 Samuel 22:29-31, "For you are my lamp, O Lord, and my God lightens my darkness. For by You I can run against a troop, and by my God I can leap over a wall. This God—His way is perfect; the Word of the Lord proves true; He is a shield for all those who take refuge in Him." As the 2024 National Day of Prayer on Thursday, May 2nd approaches, thousands of individuals, churches, and communities will be working to rally millions of Christians to once again heed this call to pray. We have boldness and conviction to pray for America because the Word of God teaches us that as we LIFT UP THE WORD in prayer, we will LIGHT UP THE WORLD!

If you would like to sponsor a National Day of Prayer gathering, become a volunteer coordinator, or obtain resources to promote a prayer gathering in your church or community, visit our website at www.nationaldayofprayer.org

STEP 1 - DEVELOP YOUR PLAN

We've created this step-by-step plan to help you and your mobilization team promote the annual National Day of Prayer in your local communities. Whether you hold one large gathering or multiple smaller gatherings, we have numerous tools and resources available to assist you.

Appoint a coordinator to head up planning and promotion. Assemble a prayer team to support the event with prayer. Together, create a calendar and determine the dates, as well as the times and locations, for your National Day of Prayer gatherings.

STEP 2 - PROMOTE YOUR EVENT

Posters, program covers, bulletin inserts, graphics, are available through our web store or for download. We've left space on several of the items so that you can customize with your own church or community information. Outdoor promotional tools such as yard signs, banners, door hangers, and more are available to aid you in reaching out to your neighborhood or to your entire community.

We've also created PSAs, social media graphics, and web banners available on our website under promotional tools to help you promote in your local media and online.

STEP 3 - HOST YOUR EVENT

Leading up to the gathering, communicate each week with your groups or congregations by email and social media to invite and remind them of the gathering taking place. Host your National Day of Prayer gathering and gather feedback and testimonies that can then be shared with members of your community or church to encourage them to continue to pray fervently for America!
